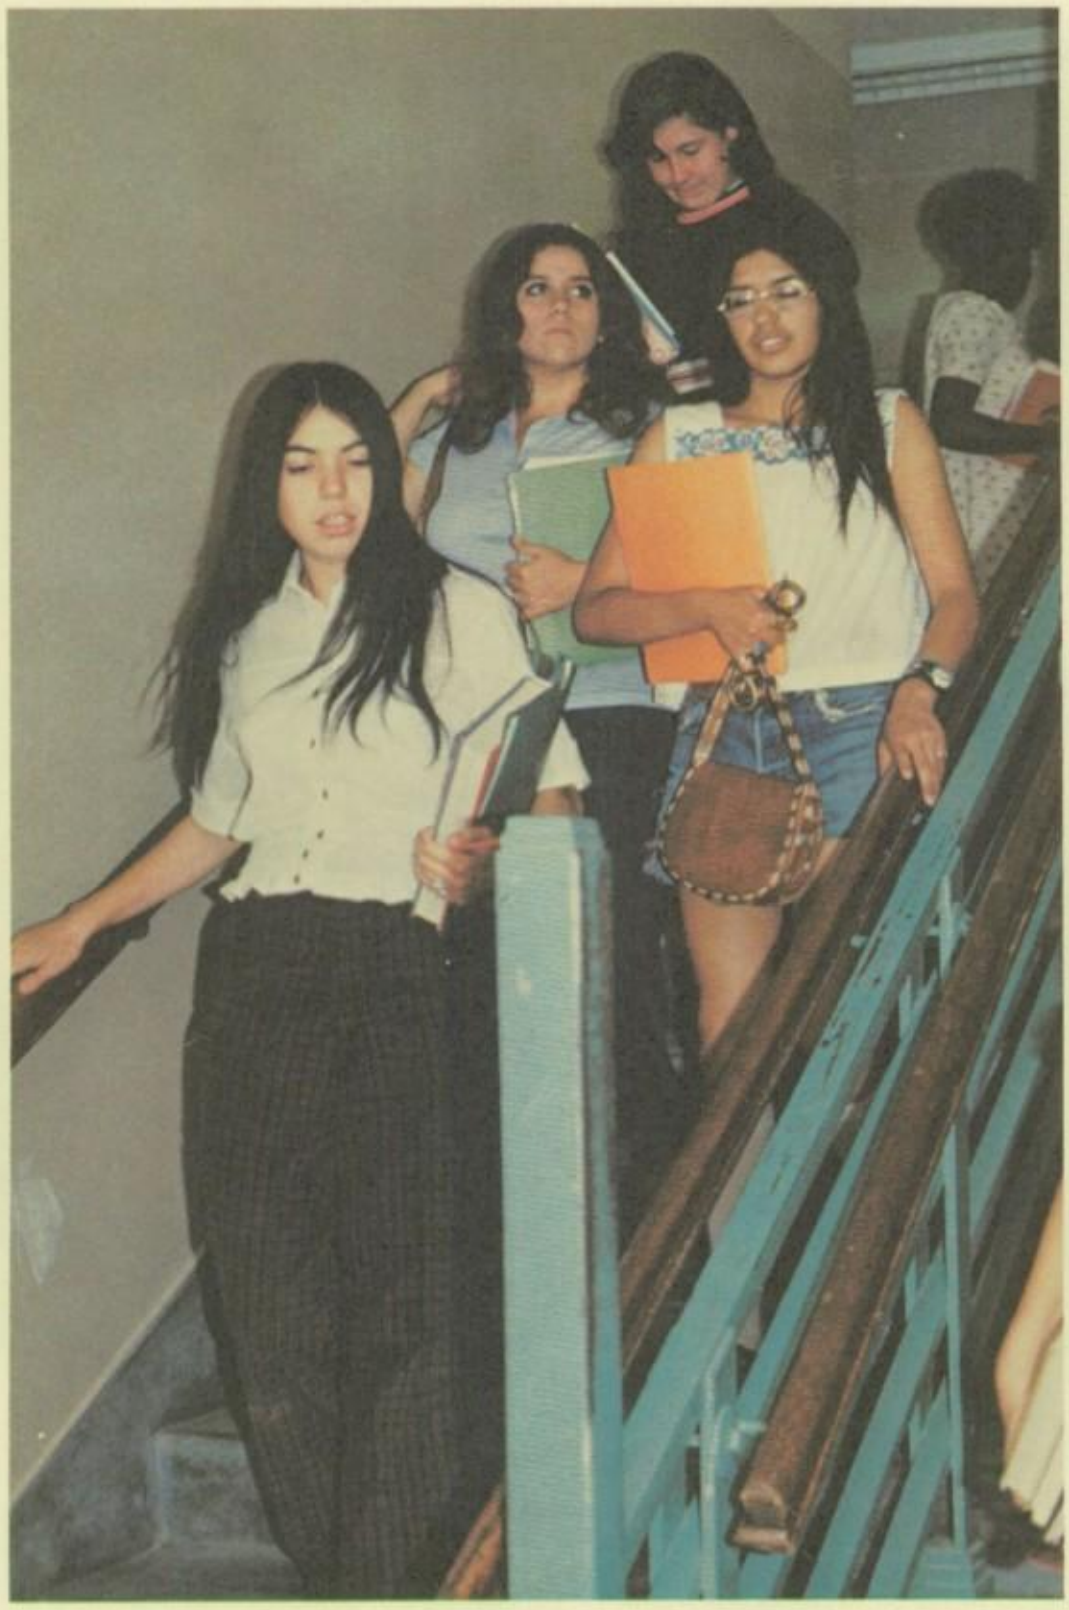
# We Have Good Times . . .



Outsiders,
Moving in,
Becoming accustomed to routine,
Belonging.
We spend our years learning about people,
About ourselves.
Inside us will remain a part of North;

The Student Body Officers, led by President Mike Andersen, are all outstanding in their fields. Though last year was his first at North, Mike's determination and qualifications won him the honor of president. Cathy Houser, along with Jeanie Spaich, serves a dual role in our school. Cathy, vice president, also serves as president of the senate; Jeanie is not only the recording secretary, but also takes minutes for Senate. Leslie Toleu, our corresponding secretary, is somewhat of a good will ambassador. Our treasurer, Pam Long, rounds out the team planning great fund-raising events and keeping track of all the money.

1-As Student Body President, Mike Anderson instructs, informs and initiates the Committee's actions. 2-Leslie Toleu, Jeannie Spaich and Pam Long exchange ideas and plans to make the year run more smoothly. 3-Acting as Student Body Vice President, Cathy Houser reviews and concentrates on important issues. 4-The Executive Committee as a whole, work together in order to take care of business. 5-Mr. Murphy works through his second year as sponsor of Exec.

SOPHOMORE SENATORS: Kneeling-Roberta Serna, Lori Archer, Standing-Diane Powell, Brenda Stokes, (Not Pictured-Jill Culling).

The Senate, a representative of all the students at North High once again sponsored the half-time activities for Homecoming. This year there was a change in the coronation activities. The robes and rugs used for the King and Queen of Homecoming were bought for the first time here at North, instead of renting them as is the usual procedure.

Besides working on this most important event, Senate also directed its attention to setting up a workshop to involve students with their student body leaders. This would enable the students to become better acquainted with their officers and vice-versa. Also Senate worked on an updating of North's constitution.

Senate did a great job this year in truly representing our student body.

# Judges Turn Student Counselors

Honor Court has played its traditional role at North Phoenix High for over thirty years. The judges, elected by the associated student body, have been able to provide to their peers fair, impartial trials. This is one of the reasons that North holds the title of the "Honor School of the West."

Chief Justice, Jerry Solove, feels that Honor Court should handle other responsibilities, also. This year, the elected officials took time to review the club constitutions.

Opening new lines of communication with the masses was accomplished by means of an opinion poll on what is expected from student government. The Court also tried a system of counseling offenders instead of assigning punishments.

"Step four! Peanut, THEN hotdog!" Strange commands such as these can be heard every morning in Sticker Stadium as the Mustang Marching Band rehearses its drills for the football half-time shows. Directed by Mr. Brewer, the band stirred North's spirit with loud music and intricate figures. Much devotion and determination goes into putting on a really polished show. But the hard work always seems to pay off in appreciative applause from the crowd.

# Cheers Spark Spirit

CHEERS: Clockwise-Mary McNally, Lori Schultz, Tina Patton, Linda Balcerzak (Captain), Susie Dong (Co Captain), Kathy Jackson, Kathy Velasquez.

"Go North! Fight! B-e-a-t, beat the Coyotes!" With these shouts of encouragement, the cheers sparked our teams to victory while performing a traditional service to the school. The seven member line worked to develop new cheers and chants and perfect old ones.

Dedication, pride, and unwavering spirit are necessary requirements for being on the line; squeezing every bit of enthusiasm out of fellow Mustangs is not an easy task. But with a ready smile, a jump, and a yell, the North High cheers strive to accomplish it.

1. Make way for the oncoming cheers!
2. Cheers keep in shape.

# Clubs Score Well

While the Bowling Club can lay claim to only a short history on the North High campus, its few years of life have showed outstanding abilities on the part of its members. Bowling Club increases in membership every year. "Its main purpose," explains club President Mike Cummiskey, "is to bowl and have fun." Having fun includes playing teachers, other schools, and other North High clubs.

What the Bowling Club lacks in history, the Tennis Club makes up for in its membership in the United States Lawn Tennis Association for 23 years. Among the social events the club sponsors for members and guests are: a winter potluck in the corral where the Freshman Team awards are presented, a Spring swimming and supper party in May, and a Freshman intra squad tennis tournament.

# Hoofbeats, Roundup Work Overtime To Record School Year

Picas, points, layouts, deadlines... all create alot of pressure and tension when putting together a yearbook or a newspaper. Working jointly to reconstruct student memories are photographers, writers, and artists, all members of the publications team.

Trying to record the emotions and happenings of a year at North is the job of both staffs. Each individual knows his duty and what he must contribute to arrive at the finished product. Care, patience, and many long hours of labor go into each copy and layout, in the hope that it will capture the spirit of the occasion and meet the publisher's deadline.

The Hoofbeats and Roundup staffs, a small representation of the masses, chart the big and little known events that occur inside North.

# Elements of Spirit

Once again Rally and Traditions Committee carried on with its responsibility of decorating the stadium before all home football games. With signs, streamers, and balloons, they boosted team moral. The Pep Club was formed this year by counselor Robert Martin to encourage spirit on the North High campus ... Holding up hand signs, they cheered us through the football season. The Bleacher Bums also contributed much to the excitement of the season. Wearing hats, and holding up a rubber chicken, they yelled their loudest for the team. Marvel the Mustang, in a new suit and color, trotted through the stadium. Instead of wearing the traditional red and blue, a brown horse suit was created by a professional dress-maker. All band together to form a part of what is known as the element of spirit inside North.

"What?! You actually expect an alto to hit a high Q#? Hey, how come the basses always get those humming parts? Okay, men, women, and tenors ... Those darned sopranos always get the melody!" As always, one hears the sweet voices of youth drifting from A-I.

The choir had a unique start this past September. Mrs. Edgar, who took her position as head of the choral department, stepped in with many new ideas and concepts that have stimulated the choirs' interests. In lieu of many new faces in the choirs, this year should prove to be successful. Their spirit is high, as exemplified by fund-raising events: car washes, candy sales, and concerts.

There were 29 students enrolled in the D.E.C.A. program at North High this year. These members received three credits per year: one for classroom enrollment and two for work experience. D.E. stands for distributive Education which involves students learning by doing. Said sponsor, Mr. Robert Salviano, "This year we took several trips in and out of state." To get an inside idea of how retail stores work, they visited Holbrook, Arizona and Mexico. They studied the Sears store in Los Angeles.

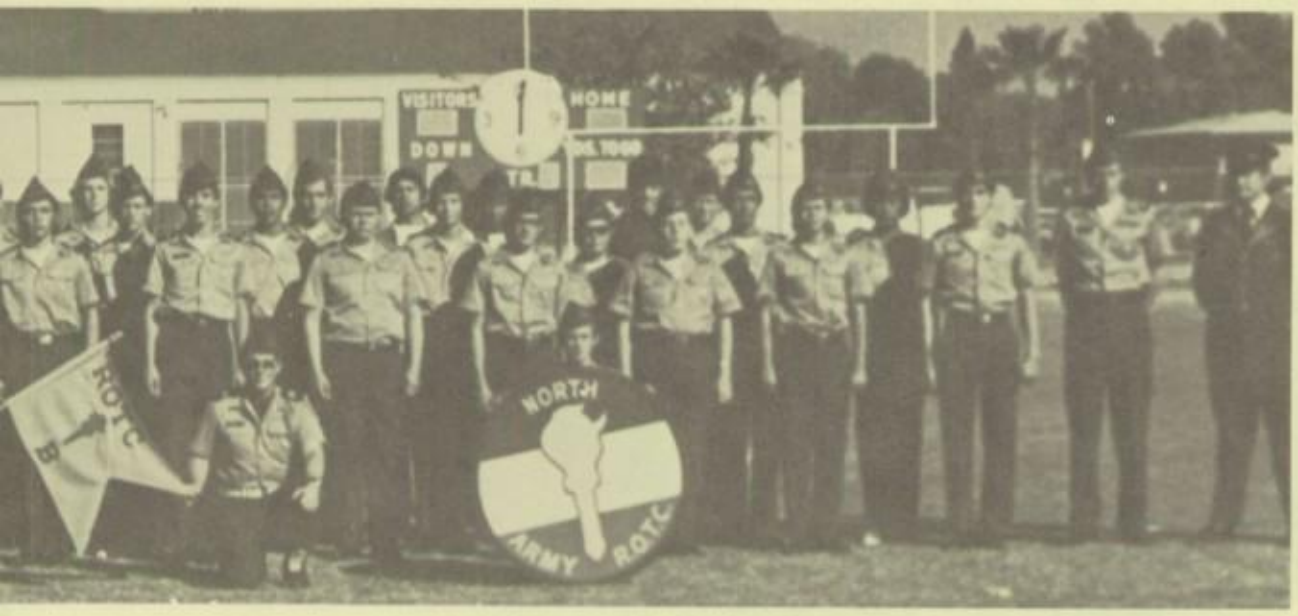
# West Point



In a year of new-found popularity at North, a girls' unit was introduced to JROTC. Along with the new, remained the traditional: the Color Guard presented the Colors at all home games and other school functions, the Honor Guard performed at Homecoming, and once again the rifle team competed against other schools.

Collecting funds for Gompers Rehabilitation Center, members also donated their time and efforts at the Perry Institute and sponsored the Military Ball at the Civic Plaza. Honors also came to the Mustangs as Martin Jakolat, Dan Moody and Scott Wilkinson received nominations to West Point.

# Coach Futch Instills Pride—Defense

The Mustang football team surprised a lot of people this season. Not necessarily people around North, but people in the Phoenix division competing against us. The preseason predictions listed us as "too small and too slow." The results? . . . undefeated after four games and a final 6-4 won-lost record.

Coach Futch, along with coaches Norenberg and Gallagher turned the football program around at North, not only instilling a winning spirit, but also pride, something that had been lacking. The Mustangs were known this season by their hard-hitting and aggressive defense. The offense was known for its balance as 14 of the 37 total members scored at one time during the season.

Football awards went to Steve Garcia-top lineman, Roddy Diggs-back of the year, and Keith Randall, for the second consecutive year, number one defensive player.

Randall was also named to the Phoenix first team All-Division on defense and was an honorable mention to the All-State team.

North High's cross-country team finished the season at 9-1, and went to the state meet for the fourth year in a row. Trini Balderrama was undefeated in dual meets while Tony Magdaleno, Gary CasaGrande, and Andy Porter were unbeaten until the last meet against South. Coach Sanchez has much praise for this team which will only lose captain Daas Villa through graduation. Such standouts as Trini Balderrama, Andy Porter, and Gary CasaGrande will be back with next season's team. Freshmen Richard Gonzales, Scott Norman, and Frank Switzer lettered as freshmen and should help the Mustang team in the future. The X-country team sports a four year record of 36-3.

# Woodmansee Second in State

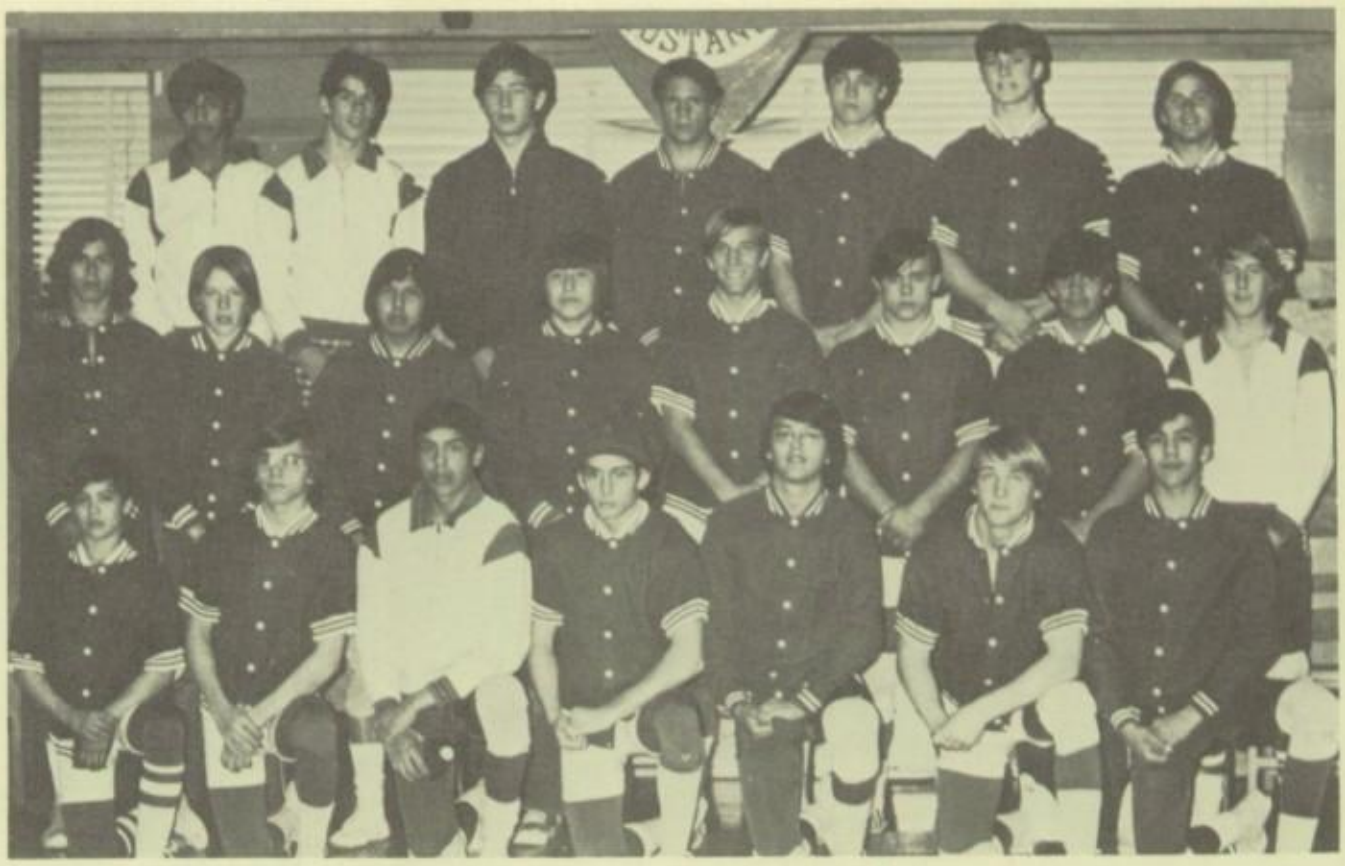
This was a building year for the wrestling team. The team was made up for the most part of freshmen, sophomores, and a few juniors and seniors. The team lost three state place winners from last year's team through graduation.

The outstanding wrestlers on this year's team were Mark Woodmansee, Steve Garcia, and Paul Gialamas. Mark had a great season with a 22-2 record. He placed first in the Phoenix Division and second at State - losing a close 4-3 decision.

Steve also had a good season. He placed second in the Divisional and qualified for the State Tournament.

Dave Miller, a first year senior wrestler, did a fine job at heavyweight.

Next year's team will have more depth and experience. Mark Woodmansee will return for his senior year. He will be joined by Martin and Mike Sepulveda, Tim Faust, Steve Messana, Mike Moses, Dave Perry, Dan Martinez, Bruce Metzger, Brian Pappas, Dan Flores, Randy Figueroa, and a number of promising sophomores.



WRESTLING: Row 1-Martin Sepulveda, Randy Figueroa, Danny Martinez, Mike Moses, Burton Hughes, David Perry, Mike Sepulveda. Row 2-Carl Stokes, Tim Faust, Floyd Sam, Ernie Fatigoni, Chris Snow, Mark Woodmansee, Danny Flores, Scott Norman. Danny Walker led the team in scoring and rebounding as expected. Walker was a pre season pick to be All-State as he averaged 15 points and 12 rebounds per game. This past summer, North sent four delegates to Girls' State and five to Boys' State. During a week's time, it showed to be one of the busiest and happiest experiences in one's lifetime. Observing and participating in governmental procedures and functions that make a democracy work, the delegates had time for making new friends; for gaining an understanding of our political institution; for acquiring an unequalled appreciation of our heritage as an American citizen. The opportunity for self-expression; for knowledge and for growth as an individual accompanied the gain of knowledge of our government on the city, county, and state levels. Realizing that the future of our nation depends upon the education and training of today's youth, the Girls' and Boys' Staters selected used this time wisely.

Boys' State: Andy Vidas, Allen Lei, Mike Ryan, Jerry Solove and (Not Pictured) Kevin Lucas

Parnassus history at North dates back to 1939 when the school opened.

The objectives of Parnassus Honor Society are: to promote and recognize scholarship, to promote the idea that academic excellence is desirable in school, to uphold the high standards of North High School, and to promote the success of National Honor Society. Applications for membership were available every semester based upon semester grades.

Efforts this year were directed toward raising funds from various sales and dues for a scholarship in connection with the National Honor Society. A main project was the initiation banquet held in the spring for new freshmen members. Awards were presented to three, five, and six semester members. Six or more semesters of membership were recognized by the district at graduation by a parnassus stamp on the diploma.

National Honor Society earns $25.00 from their used book sale.

Each year the Optimists recognize outstanding students in the areas of Arts, Letters, and Science. These students receive a certificate recognizing their achievement, have their names engraved on a plaque, and attend a banquet held in their honor.

Members of the NHS student body, staff and faculty nominate an outstanding student each month. Final selection of the Student of the Month from these nominees is made by the Executive Committee. The selected student receives a certificate recognizing his selection and attends a luncheon meeting of the Optimist Club.

The Betty Crocker Family Leader of Tomorrow award is given on the basis of a written knowledge and attitude examination. Individual school winners receive a pin and a certificate.

The GEMCO and Lucky Contest representatives are selected by the honors committee. These students meet with representatives from other high schools in the valley to debate a question posed at the meeting. Each representative receives a $25 savings bond, a certificate and a trophy. The Lucky contestants discussed a question dealing with the current political scene; the GEMCO contestants discussed a question concerned with Economics.

All-Region Band, Orchestra, Choral groups, soloists and ensemblists are selected on the basis of auditions which include sight reading, scales, and a solo.

MARTIN JAKOLAT served as Commander of the JROTC 2nd Battalion, as a member of the Rangers, and Honor Guard, as North's representative on the District Student School Board, and as Chairman of Maricopa County Youth Services Advisory Board. He is a two-year member of National Honor Society and four-year member of Parnassus. Jakolat was nominated for the Legion of Valor Bronze Cross for Achievement, served as September's Student of the Month, and wrote for the Roundup. Martin still had time for his favorite hobbies-Dune Buggy riding in Mexico and motorcycle riding.

VIRGINIA PACTWA was an active member of the German club, National Honor Society and Parnassus. Virginia is a talented linguist, reed musician and artist. Her acrylics and pen and ink drawings won awards in the Scholastic Art Show.

DAVID TAYLOR enjoyed playing chess, coached the girls' rifle team, participated actively in JROTC, and worked after school as a cook at the North Bank.

# Commends Five On, Off Campus

ANDY VIDAS played varsity basketball, served as Secretary-Treasurer of National Honor Society, belonged to a Medical Explorers Post, and was an active member of Parnassus.

MARK GOODFRIEND competed for the Speech team and was an active member of both Parnassus and National Honor Society.

JESSIE ONG was a member of National Honor Society.

JOYCE ONG was a member of National Honor Society.

KENT STEELE sang with Madrigals, served as Parlimentarian of Parnassus, played the piano and brass instruments, and was an active member of National Honor Society.

JOHN VANDRUFF was a member of Parnassus. and JROTC.

The National Merit Scholarship Program included five North High Seniors among its 1974 semifinalists. This was the largest number of semifinalists in any single school in the PUHSS and included more than 1% of our approximately 400 member senior class.

The Semifinalists were the highest scorers in each state on the Preliminary Scholastic Aptitude Test-National Merit Scholarship Qualifying Test administered in October, 1972. These students constituted about one-half of one percent of the graduating seniors in the U.S. in 1974.

Letters of Commendation were sent to five other seniors in the class of '74. These commended students are among the upper two percent of those who were expected to graduate from the nation's high schools in 1974.

Semifinalists must qualify as Finalists to advance in the competition for about 3,100 Merit Scholarships. To become Finalists, the Semifinalists must fulfill requirements that include receiving the endorsement of their schools, confirming their high PSAT-NMSQT scores on a second examination, and providing evidence of their academic and other accomplishments.

Commended students advanced no further in the Merit Scholarship competition.

Edward C. Smith, President of National Merit Scholarship Corporation said, "The high standing of these students in the Merit Program competition shows that they have great promise of continued success. The future success of these young people will, however, depend upon their ability to become productive at the high intellectual levels that they are capable of attaining."

These ten students were active in many areas both on and off campus. They won art awards, played basketball, participated in JROTC, worked after school, served on youth boards and advisory committees, rode motor cycles, sang in Madrigals, played in the band, and served actively in various clubs.

# Malkoon, Walker Reign Over King, Queen of Courts

The North High student body launched Spirit Week with a very successful pie auction. Once purchased the owners were allowed to throw their pies at the student body officer of their choice. The second day was devoted to an egg toss, won by the senior class. Seniors and sophomores combined efforts to take first place in the pyramid building contest which followed. The 30-man winning pyramid was topped by Jeff Pittman, who stayed there long enough to blow up a balloon until it popped.

The red carpet awaited the King and Queen of Courts royalty at the half-time ceremonies. The '74 King, Danny Walker, and Queen, Pat Malkoon, were crowned by Pat Meldrum and Julie Leyvas. The two King's attendants were unable to attend the coronation because they were competing in the state wrestling tournament.

Smiles, tears, flowers, and crowns . . . symbols of honor for the people Inside North.

As a Matter of Fact, the senior year of the class of '74 was the culmination of . . . class meetings after school, hurried fund-raising campaigns, watching our team beat Chapparal, forgetting to do homework assignments, pushing Heath bars, buying class rings, selling kazoos at the football games, watching a new Marvel perform at the football games and pep assemblies, and enjoying the pleasures of a finally refrigerated North High.

And the Beginning of . . .

"How does it feel to finally be a Junior?" questioned Karol. "Like the freshmen of the upper class," answered Scott.

Along with being a Junior comes the responsibility of sponsoring the Junior-Senior Prom. Fund-raising events included a candy sale, selling valograms, and putting on the King and Queen of Courts dance. And the Class of '75 will be remembered for its spirit and enthusiasm inside North.

"Molly, cut it out. You're eating more candy than you're selling." "At the rate this is going, we'll need 99 more car washes before we're out of debt."

Being a sophomore is not the easiest thing in the world. It takes being the 'in-between' class and going unnoticed by all the other classes. The Class of '76 strove for recognition by sponsoring the Homecoming dance and a month-long candy sale.

"You mean I really have to know my timetables all the way to twelve to get out of this place?" "What's a La building? I'm not taking choir."

Such statements can be heard from bewildered Frosh. Sponsored by Mr. Harris and Mrs. Wales, the Class of '77 was the first required to take the Math proficiency test.

. . .and then there was the one freshman who went to teacher number 4 for fourth hour lunch. Unfortunately, Mr. Long wasn't serving lunch. . .

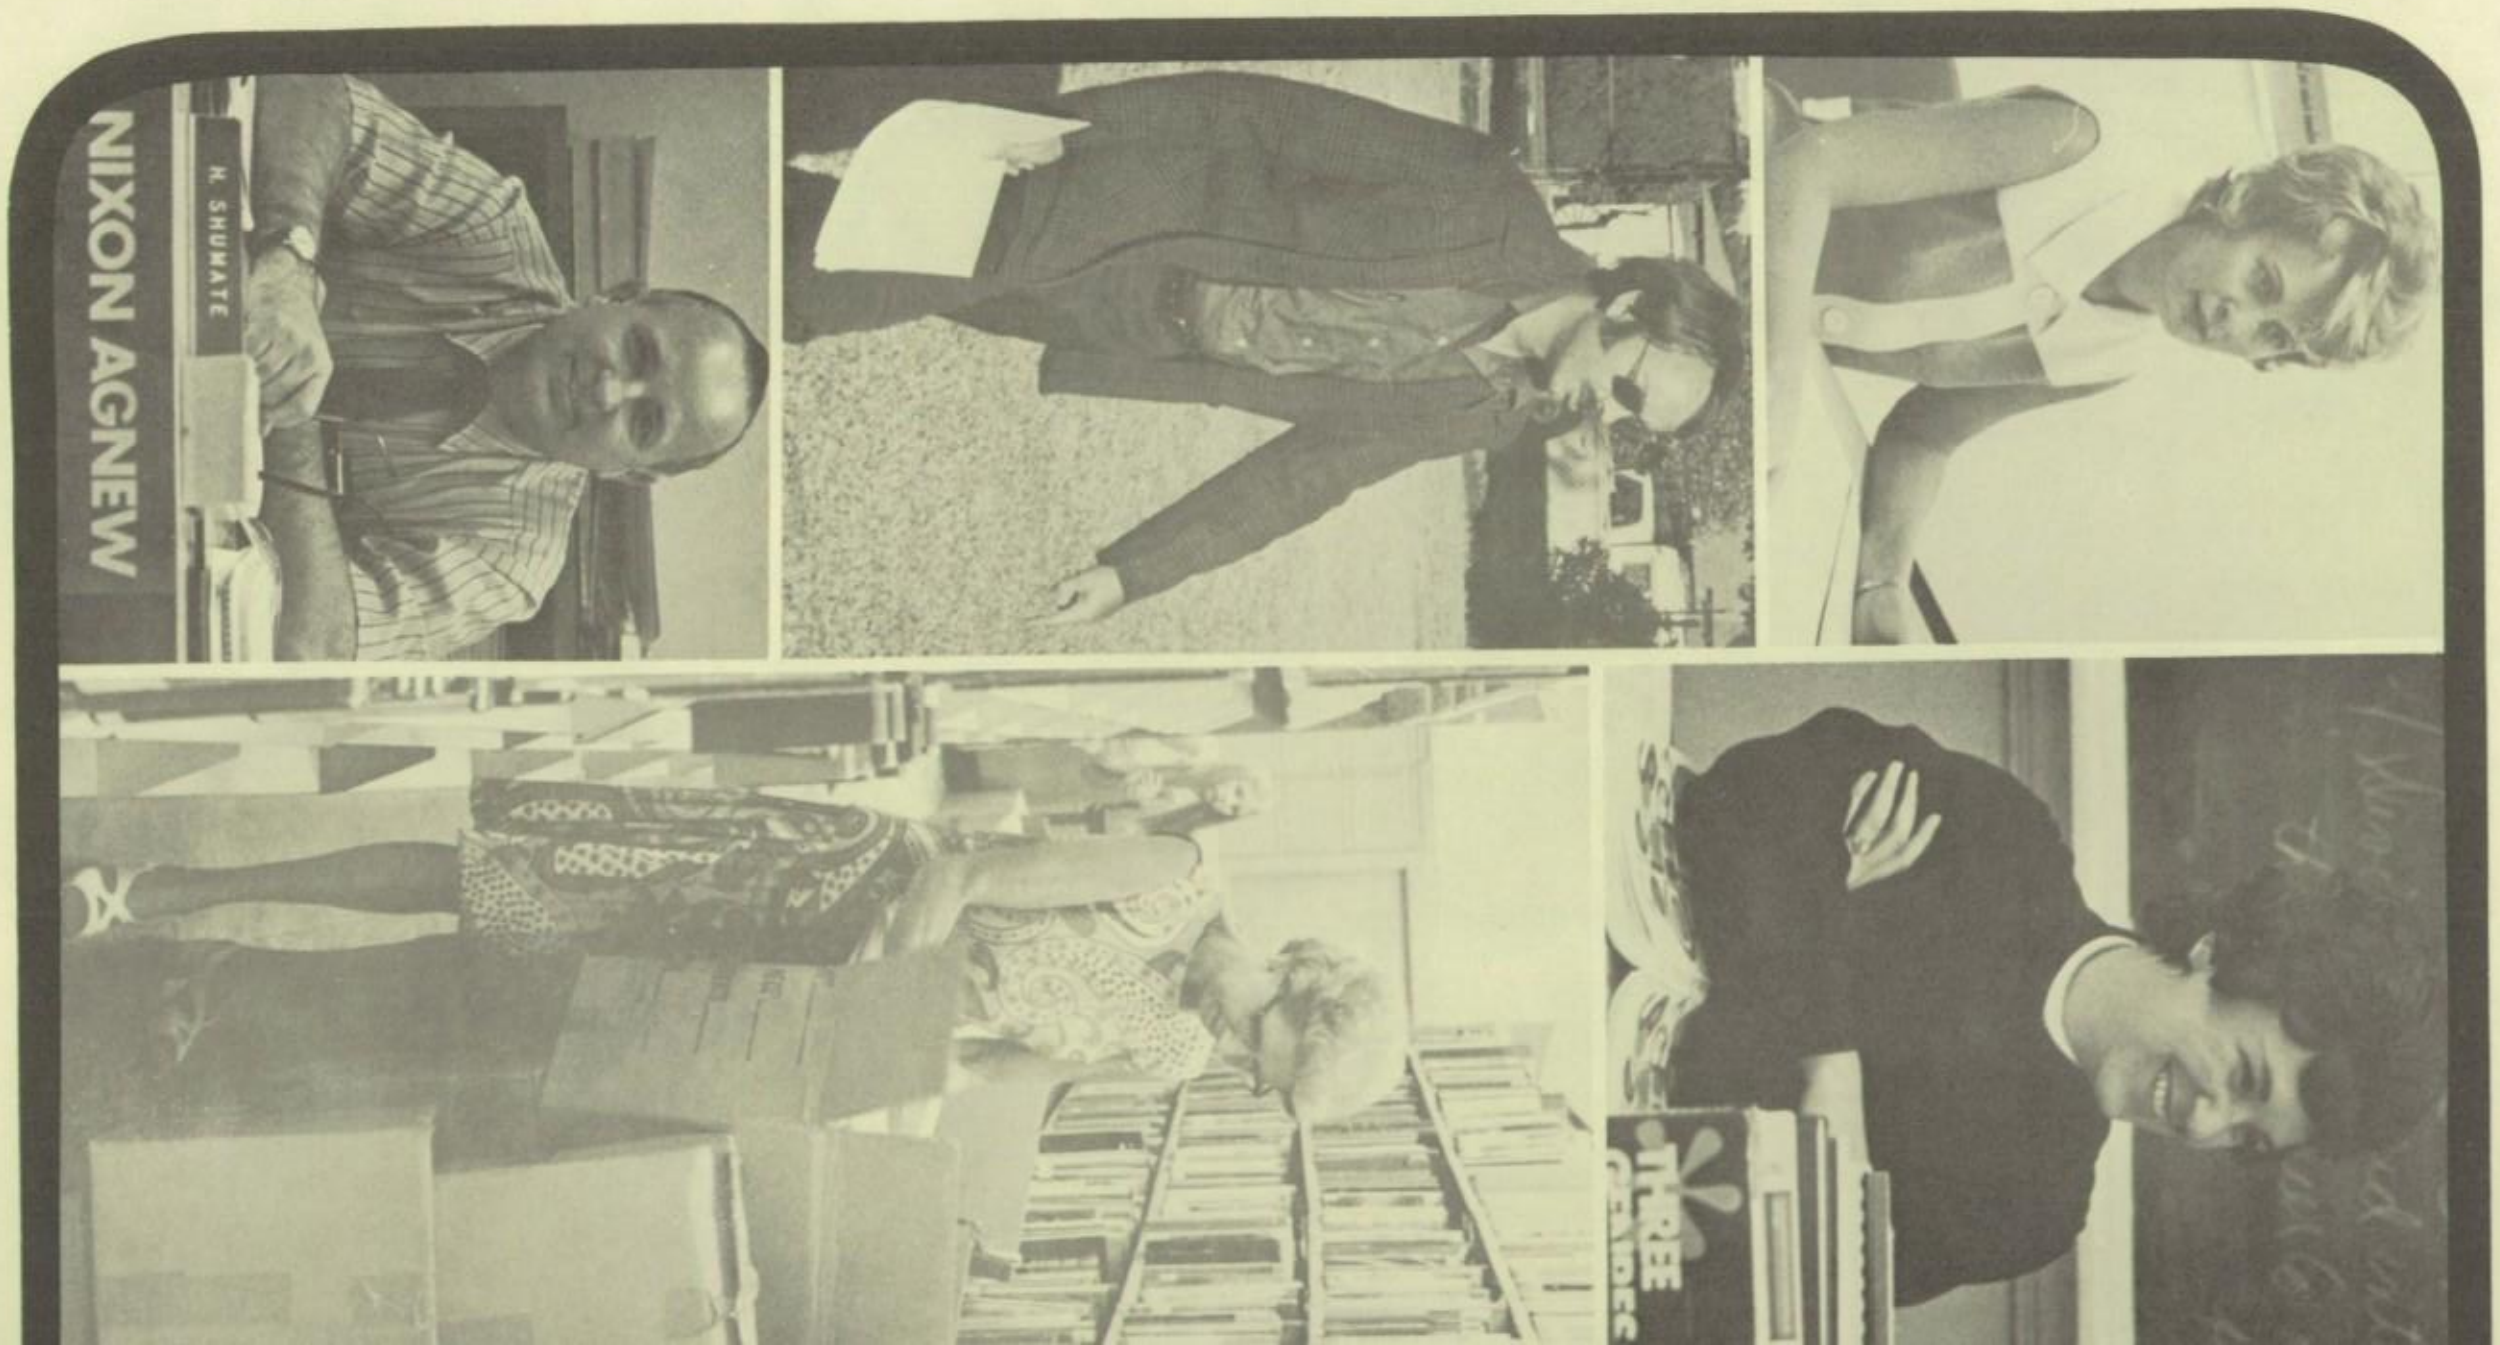
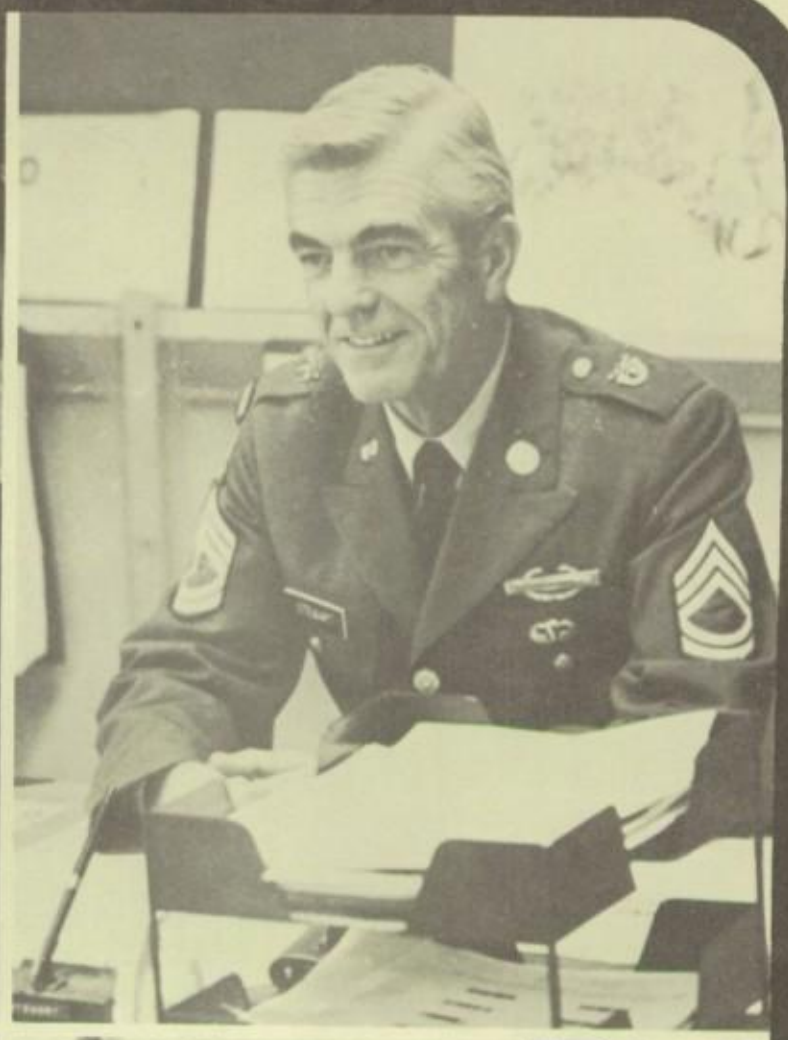
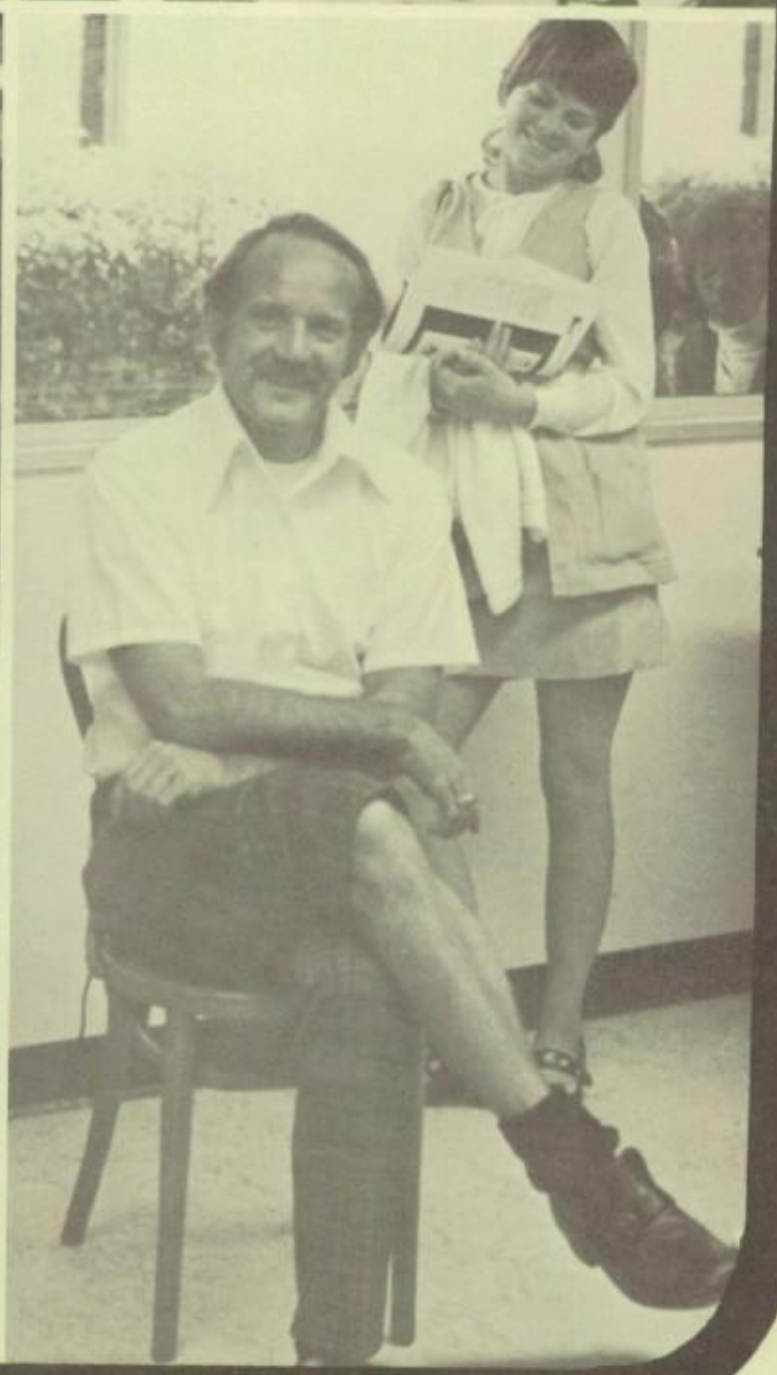
# FACULTY







# Mr. Sanchez, First "Cool" Principal

Robert Sanchez, Principal, transferred to North from Coronado (Scottsdale).

The long-awaited refrigeration came accompanied by a new principal for North High School. Mr. Sanchez transfered from his position as principal of Coronado High School in Scottsdale, bringing with him many fresh, young ideas. Opening lines of communication between students, faculty, and administration, he created the Principal's Advisory Board made up of club presidents on campus. In an effort to provide an opportunity for students to voice their opinions, and to personally introduce himself to the student body, he visited all levels of English classes. Eager to become a part of North High, he made himself a common sight at student activities, attending sports events, music concerts, and recognition programs.

"I'm impressed with the caliber of the students attending North, as shown by our high National Merit standing and nominations to the military acadamies. I am grateful for the dedication of our faculty and the strong support I received from the other administrators," commented Mr. Sanchez, our new driving power inside North.

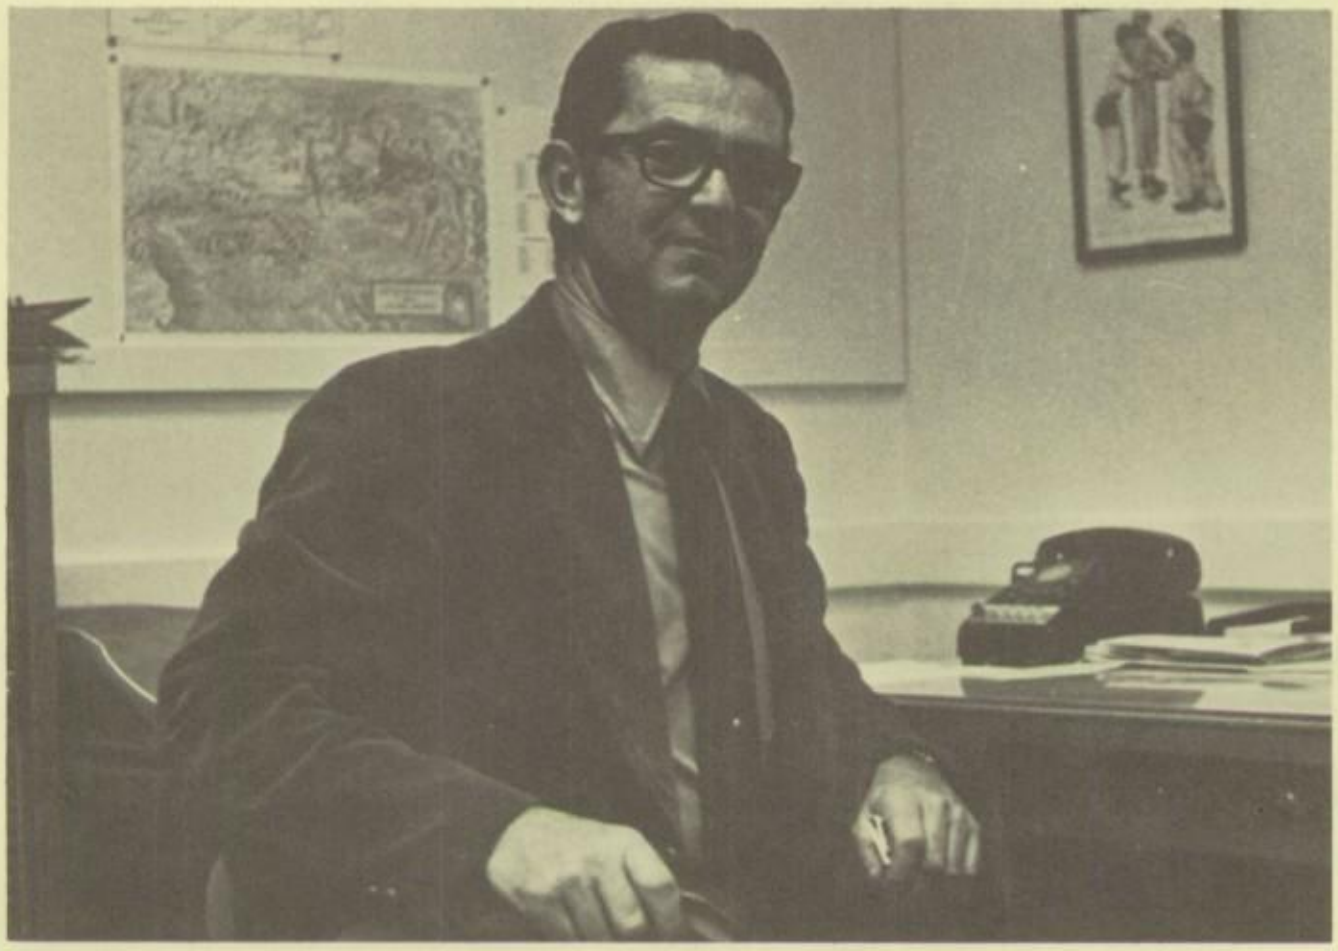
# Administrative Duties Reassigned

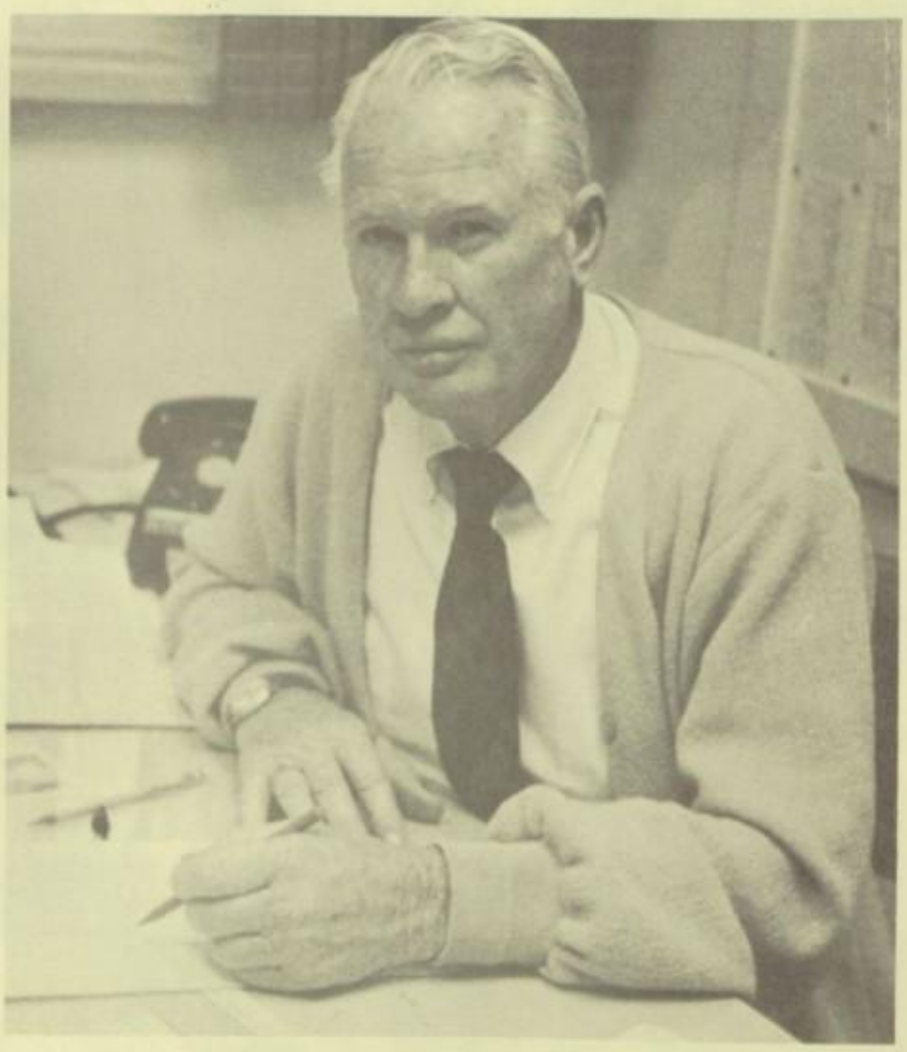


Dr. Milton Jones, Associate Principal, had the last word in registration and room assignments.

Juggling hundreds of students to avoid interfering with construction, the administration found relief when the air conditioning work was finally complete. Besides worrying about where to put displaced classes, administrators had their regularly assigned jobs.

In his second year as Associate Principal at North, Dr. Jones concerned himself with the condition of the buildings and facilities. Dean of Girls, Mrs. Workman, held the position of Atheletic Director this year. Busy coordinating sports events for the school, she found herself the only female athletic director in the state. Discipline was also covered by Mrs. Workman. Mr. Cardon, in charge of student attendance and activities, maintained his position as Dean of Boys.

Mrs. Vera Workman, Administrative Assistant, handled discipline and all athletic events.



Mr. Stanley P. Cardon, Administrative Assistant, kept tabs on student attendance and activities.

# To The Mustang Roundup Staff '73-74:

Thanks!! My special thanks go to Bob Buddy for "rounding up" all the ads for us; and to Lynn Buddy, Martin Buddy, Cheryl Buddy, Rena Buddy, and Dave Buddy. The paper could never have been what it was (and wasn't) without all of you. I could never say enough for Dandy and his amazing writing and photography which he supplied to fill in between the ads on page 4.

There is a very special place in my stomach for Stever, the man with the bad 'ol Chevelle SS 396; the magic machine who knew its way to Dunkin Doughnuts.

Without a doubt, Lynda Wiitala Buddy, has done the most to keep the paper coming out more than twice a year. Let's face it, any girl with a panda bear dress and saddle shoes can't be all bad.

I don't think I'll ever be able to make it through college without Melissa's coat and mittens during the winter. It's too bad that she never learned to enjoy Walt Disney movies.

My mechanic-of-the-year award has to go to Jeanie Buddie. She is the only human who can adjust a carburator, type exec minutes, and tell Reggie Jackson's life story all at once.

Mike Buddy has to be cool because he lives on Evergreen Street. No matter what Mr. Kumakwowskey does, I know he'll finally achieve his two major goals in life - purchasing an Opel GT and being able to stuff the basket at Halvy's.

What could I say for the Doublemint twins, Linda and Brenda Stokes Buddies. It was like being a Dear Abbey with them around. No matter what they ever think, they will never be able to beat Dandy and me in tennis. I wrote this to both of you because I still can't tell you apart.

Most importantly to the lady who kept us going, Tomi Buddy. Mrs. Fields will always be a Buddy to me and my staff for all the work she's done for us, besides who else would drive to Tempe when I couldn't get any gas during an assembly.

With eggplant to all,

*Skip Lei*

*Without a breeze...leaves would have no life*
*Without a sun...flowers would never grow*
*Without the trees...birds would have no home*

Nature has been good to us. She has blessed America with the natural resources so necessary to make a country great.

Over the years, we have converted these natural resources from unusable raw materials to industrial products unmatched anywhere on earth. From a simple light bulb to spacecraft capable of landing men on the moon, we have matched our natural resources with the resources of technology to achieve the heights of scientific accomplishments.

Along the way to success, we have overlooked the mother who spawned these achievements. To provide steel to build cities, we have stripped our earth of coal and dumped the residue in our lakes and rivers. Trees that provide us with oxygen have been leveled to build homes in the suburbs, creating urban sprawl. To reach our cities, we have lined our countrysides with concrete to accommodate our nation's greatest polluter: the internal combustion engine.

We are all members of a society that demands throwaway bottles, a second auto, and electricity for our homes. We must all share the blame for America's environmental problems.

If the leaves are to have life, if our flowers are to grow, and if the birds are to have a home, today's youth must also accept the challenge with constructive effort. Your actions today will determine the course of our nation.

America can't wait for the next generation. By then it could be too late.

## Student Body and Staff

Inside North was the theme of this year's book. And through the theme we tried to convey the special and perfunctory times that we had. It's these intimate details that make our school and yearbook what it is. I have the highest regard for my fellow students at North High and wish them all the luck in the future years of their lives. I wish to thank the student body for all the suggestions they gave me and their cooperation with our photographers. It's the students' enthusiasm and candid expressions that make this book.

I wish to thank my staff for all their hard work. I hope that next year's staff is as fortunate and united as this year's staff was. Thanks Jan, Terry, Diane, Jim, Scott, Dan, Stephanie, Susie, Molly, and Melissa for doing such a good job on your sections. I know it was a lot of hard work. I would like to thank the business staff, Bob, Terri, Lee Anne, and Brian, for their outstanding job on circulation and promotion of the book. To Kipper and Lori I haven't enough to say for all the unsurpassed copy they wrote. And what would I have done without, Jerry, John, Toni, Greg, and Jay, my photographers. The most important single part of a yearbook is the pictures and this photographic staff worked to all hours and ditched many a class to make this book what it is. Mike, Lynda, Pat, and Nickie, our special job staff members, did a great job for me and made Yearbook flow from day to day. I wish to give a special thanks to two people, Molly and Ms. Field. Molly, I couldn't have had a more dedicated associate editor with so much talent. Ms. Fields if you don't know it, you're something special. It's your shadow leadership that made Yearbook the most wonderful experience of my life.

Thank You

Mike Ryan

The "74" baseball season ended with a disappointing 8-13 record. A slow start hurt the team early, but batting averages finally rose and with it a few more wins.

Bob "Cannon-arm" Jones was picked as a Phoenix All-Division second team outfielder. Jones batted .240, but was known for his power hitting (4 homeruns, 13 runs batted in) and defensive skills. Versatile Keith Randall led the team in hitting with a .340 average and runs scored, 17. Forest Paysnoe also had 4 homeruns. Ruben Solarez was the number one pitcher with a 4-2 record.

# S.S. Echo - Refreshing Musical

Suzie Rothwell and Eddie Lake were the stars of the only musical North had this year. It was the first production that our new music teacher, Mrs. Edger has put on at North High.

The Musical, S.S. Echo, was set on board a ship on its way to Europe. Other members of the cast included Cindy Johnson, Ron Steele, Janet Dugan, Steve Drummond, Ken Casey, Lori Shultz, Greg Marsh, and Dee-Dee Platt. Ann Johnson was the co-star, who acted out the part of a woman of the world and managed to come on quite strong with Eddie Lake. Cindy Johnson and Greg Marsh acted out the parts of two very very young lovers. They did a little dance scene with each other. Kent Steele handled the music on piano. Everyone enjoyed the old vest Kent wore acting out the part of an old time piano player. Lori Shultz wrote and produced the musical.

# a Tomorrow

Forever and Always a Tommorrow was the theme of this years junior and senior prom. Thanks to the hard work of junior class president, Stephanie Hadley the prom was held at the Sunburst Hotel. The class raised over $1200 for this gala affair and everyone who was there really thought she did a good job.

A band and cookies were provided for the estimated 60 couples there. And in walking around to the various tables it was obvious that the couples were having a good time from their laughter.

The senior banquet was held at the Scottsdale Hilton. At a cost of 6.50 per plate, you got dinner, entertainment, and the companionship of your classmates. Most the people there thought it was a very good deal.

The Senior Film was shown for the first time and was a big hit with the crowd. It was a horor story take-off on a Dr. Pepper advertisment.

All agreed that Jan Terhune did a great job in planning the banquet. She was given a big hand and a special plaque for doing such a good job as Senior Class President.

1-Mrs. Woodmansee shows the pride she has for her grandaughter, Pam. 2-Graduates expressed their joy with North's first cap toss. 3-Tobi Starkovich talked with David Miller. 4-Graduates scrambled to get in line for the processional. 5-Suzie Dong (Left) and Melissa Coons (Right) fit their collars onto the robes. 6-All heads were bowed for the invocation. 7-Van Taylor and Dr. Carolyn Scott handed out diplomas. 8-Cheryl Myers talked on "what has happened to the Ole American Values." 9-Margaret Krigbaum spoke on "The Hollow Men" from a poem by Eliot. 10-Robert Pinson receives his diploma.

This years graduation was not the same as graduations in the past. This year because of the Keepsake robes, there was no recessional. The students knowing this, secretly planned to have a cap toss. As planned, for the first time in the history of North, the caps went up after the last student had received his diploma.

The traditions of past graduations were not forgotten. Two students spoke and a member of the district administration gave out the diplomas. All the parents and friends of the graduates were in the stands with tears and wishes of joy for their son or daughter.

We must all remember that anything is possible now and the graduates must decide what their future will be.

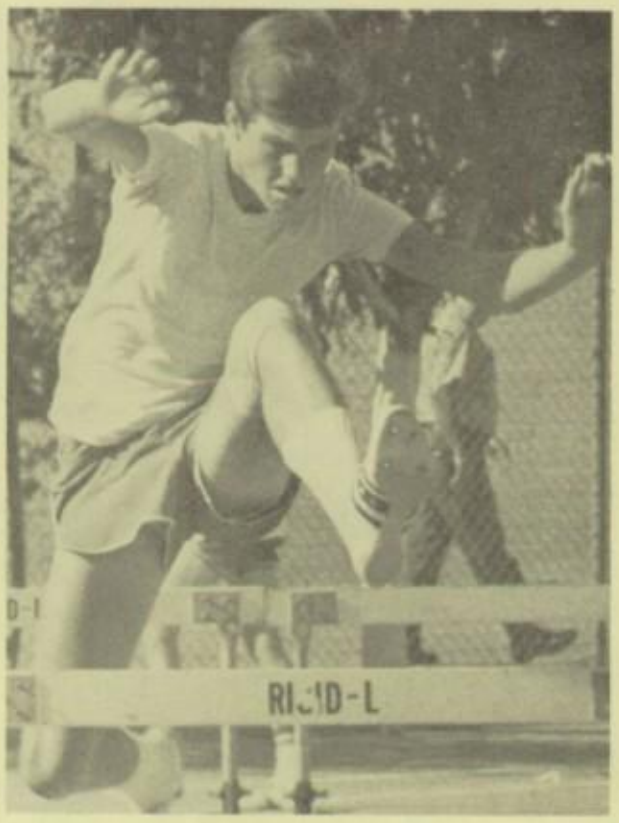
The Graduating Class of 1974

# "...Faithful and Just to Me..."



Another long year at North has come to an end. The school will be painted and readied for another year, but what did this year have to offer. We got a new principal; an education; a chance to play in the sport of our choice; and most important a chance to develop our personalities.

Very few will remember that the Class of 1974 was said to be the smartest class to have ever graduated from North High, but the future—and what every member does with his life will be the true test.

Anthony said "He was my friend, faithful and just to me..." about Ceasar. We say "It was my school, faithful and just to me ..." about North.
